Everyday, Aditya shares with me "Mdm Irwani's funny comments" that help children to understand the right behaviour in a humorous way. I saw and really appreciate the effort and sincerity Mdm Irwani and Ms Kow put into HBL. Although my son joined in 2nd term, he is adjusting beautifully to the new environment. This would not have been possible without the kindness and care shown by his teachers and classmates. We are very happy and grateful that Aditya is studying in TKPS.
