My family and I truly appreciated of the extra mile this chinese teacher provide be it to the students or parents. She had done more then what a teacher should had. She shows concern to her students as time goes, and is willing to send the late night messages to parent to remind them of homework or revision, spent extra time for their reminders. Thank you.

A huge THANK YOU to Miss Kow for her patience with non Chinese students like my daughter. I can witness through her dedication that my girl has shown more interest in the language - from showing no confidence to displaying courage in conversing better now in less than a year under the guidance of Miss Kow. I also appreciate Miss Kow's constant updates/ reminders through Class Dojo. She is generous with praises to students and that is what motivates my girl. Superb quality education Miss Kow!
